## WESTERN DIVISION—KEYS TO CORRECT ENTRY

- W 1 A 4-H'er cannot enter the same horse in Western and Ranch divisions. A different horse must be shown in each of these divisions.
- W 2 WESTERN horse classes for walk, jog & lope are in **BLUE**, Beginner Rider which consist of WALK/TROT classes are in **RED**, PONY classes are in **GREEN**.
- W 3 REMEMBER to only enter the color coded classes for your type of horse(s). For example: You cannot cross enter your horse in WALK/TROT Classes and WALK/JOG/LOPE classes.
- W 4a 4-H'er can only show ONE showmanship horse in each Division.
- W-4b 4-H'er can show in more than one Halter class if their horse meets the requirement of that class (example: horse entered in gelding 5 and under and another horse in halter in gelding over 5), remember - only one horse per class.
- W 5 HALTER and SHOWMANSHIP classes are shown IN-HAND with HALTER typical for that breed.
- W 6 HALTER classes are judged on the horses' conformation and movement only.
- W 7 SHOWMANSHIP and HORSEMANSHIP classes are judged with emphasis on the exhibitor, may have a pattern to perform.
- W 8 RIDING classes are judged with emphasis on the performance of the horse.
- W 9 TRAIL classes # 21, 22, 23, 24 and 25 on Thursday are for horses eligible for Western division only.
- W 10 BEGINNER RIDER CLASSES: If 4-H'er enters classes 10, 11, 12, 13, 21 and 22, they are not eligible to enter other classes except in appropriate classes 1-9.
- W 11 All PONY entries must be measured that did not show last year. Measurement records from ponies have been maintained from previous years. A pony measures 58" and under. Ponies will be measured only one time.
- W 12 PONY can be declared a horse and show in horse classes, but they cannot show in both pony and horse classes.
- W 13 Cannot show two different horses in the same class – even if single animal at a time.
- W 14 Refer Tennessee Horse Championship for all rules.  
[https://trace.tennessee.edu/cgi/viewcontent.cgi?article=1015&context=utk\\_agexani](https://trace.tennessee.edu/cgi/viewcontent.cgi?article=1015&context=utk_agexani)
- W 15 Split showmanship ring - if class size warrants.
- W 16 A MINIATURE horse measures 38" and under.
- W-17 **Contestants must wear protective head gear** (ASTM/SEI certified helmet) with a chin strap securely fastened. Both helmet and harness (chin strap) must fit properly. 4-H'er must furnish safety helmet.

## RANCH HORSEMANSHIP

The Ranch Horsemanship class will be a pattern class. The exact pattern will be determined by the judge, but will contain at least the following:

- 1) A large fast circle, a small slow circle in both directions with a simple lead change.
- 2) At least one 360 degree turn in each direction, plus a stop and a back.

## RANCH HORSE CONFORMATION

The horse will be judged on type and conformation correctness only. Conformation is defined as the physical attributes necessary to perform under saddle. The horse should possess eye appeal with an attractive head; refined throat-latch; well-proportioned trim neck; long sloping shoulder; deep heart girth; short back; strong loin and coupling; long hip and croup. The ideal standard in evaluating horses in conformation should include, but not limited to, soundness and correctness in conformation, particularly feet and legs, with emphasis on correct manner of travel. The horse should show balance and uniform muscling. Horses are not penalized for scars or brands.

**Judging Procedure.** All entries will enter the arena individually, walking to the judge one at a time. As the horse approaches, the judge will step to the right (left of the horse) to enable the horse to trot straight to a cone placed at 50 feet away. At the cone, the horse will continue trotting, turn to the left and trot towards the left wall or fence of the arena. After trotting, horses will be lined up head to tails for individual inspection by the judge. The judge shall inspect each horse from sides, front and rear.

**Equipment.** Horses are to be shown in good working halter; rope, braided, nylon or plain leather. Minimum silver will be allowed on halters with the exception of the mandatory buckles. Keepers on open buckles are allowed, and tips are allowed. It is recommended that a horse should be shown as naturally as possible. Banded or braided manes and tail extensions are not allowed.

## RANCH RIDING

A horse will be shown at all three gaits—the walk, jog, and lope. He will also be asked to reverse away from the rail, to stop and to back. The judge may ask for an extended walk or trot. Extended trot may be ridden by sitting in the saddle, posting, or standing in the stirrups.

A good ranch horse has a free-flowing stride of reasonable length on keeping with his conformation and covering a reasonable amount of ground with little effort. The motion should be balanced and flowing with the head carried in a natural position in keeping with the horse's conformation. The horse should be shown when changing gaits. The walk and jog should be free-moving and void of peggy, short strided motion. The lope should be a definite three-beat gait, performed on the proper lead, and showing good use of the hindquarters.

Horse's expression should be alert, mannerly without the appearance of a dull, sullen, lethargic drawn or overly tired attitude. Maximum credit should be to flowing, balanced, and willing horse that gives the appearance of being fit, alert, and a pleasure to ride. A rider must show his horse with only one hand on the reins unless that horse is five years or younger and is being shown in an O-Ring or D-Ring snaffle bit or hackamore (bosal).

### Credits:

- 1) Natural ground covering gaits
- 2) Consistency at all gaits
- 3) Smooth upward and downward transitions
- 4) Working off hind quarters when turning
- 5) Work on reasonably loose rein without excessive cueing to maintain moderate pace.

### Faults to be scored according to severity:

- 1) Lack of ground covering gait
- 2) Excessive speed or slowness of gait
- 3) Wrong lead
- 4) Failure to make upward or downward transitions when called for
- 5) Opening mouth excessively
- 6) Stumbling
- 7) Head carried with tips of ears below the withers for more than 3 strides
